Representative Bernard Schaber's Statement on Joint Finance Committee Public Hearing in Appleton

"I am working very hard to make sure that the people of Appleton's voices are heard in Madison and I am excited the Joint Finance Committee will be coming to Appleton. I think this is a great opportunity for the Representatives from the Joint Finance Committee to listen to what people outside Madison think about this budget. This is an important and difficult budget that will affect people in Appleton. I am very glad to have a hearing in Appleton."
